Subject: Deficient Application for Transfer of Notice of Intention (Form MR-TRS), Black Desert Mining, Black Desert Mine, S/023/0088, Juab County, Utah

Dear Mr. Young:

On May 10, 2010, the Division received an Application for Transfer of Notice of Intention for the Black Desert Mine from Black Desert Mining LLC to Meta Mining of Utah LLC. The transfer is conditionally approved upon receipt of the items below.

1. A signed Reclamation Contract (Form MR-RC) (enclosed) and reclamation surety in the amount of \$25,100.00 (5-year escalation) or \$25,000.00 (3-year escalation). Please contact the bonding coordinator, Penny Berry at (801) 538-5291 or bondcoordinator@utah.gov to obtain the appropriate bond forms.
2. A revised copy of the Notice of Intention to Commence Small Mining Operations (FORM MR-SMO) including new signature (page 7) and showing revised ownership and control information (pages 1 and 2). The transfer package received on May 10, 2010, contained all of the information needed for the transfer. However, the approved NOI was in a different format and a direct substitution of pages is not possible. The Division requests that the a new NOI be completed. The NOI form can be downloaded at https://fs.ogm.utah.gov/pub/mines/minerals_related/forms/MR-SMO.pdf the Division's staff will help with any questions about the form.

If you have questions regarding this letter, please contact me at (801) 538-5261. Thank you for your cooperation.

Sincerely,

Paul Baker
Minerals Program Manager
